8 6Case No. 24CV21417

9 MOTION TO SET ASIDE VOID JUDGMENT

10 I. INTRODUCTION

11 7Plaintiff Annika Eriksson moves this Court for an Order setting aside the Limited
12 Judgment of Dismissal entered herein pursuant to ORCP 71 B(1)(d) and ORCP 71
13 C.

14 8As set forth below, the judgment is void *ab initio* for lack of subject-matter
15 jurisdiction and was procured through extrinsic fraud on the court.

16 II. ARGUMENT

17 9Under Oregon law, a judgment entered without subject-matter jurisdiction is a
18 legal nullity that may be challenged at any time (*Bailey v. Vanderkin*, 198 Or App
19 232).

20 10The conditional reinstatement order expired automatically on June 3, 2019.

21 11The judgment signed thereafter is void.

22 III. CONCLUSION

23 12For the foregoing reasons, Plaintiff respectfully requests that this Court vacate
24 the judgment and grant such other relief as is just and proper.

25 13DATED this 14th day of August, 2026.

26 14Respectfully submitted,

27 15/s/ Annika Eriksson
